paper. The DAILY CHRONICLE, and WEEKLY WHIG AND CHRONICLE, will be kept up during the year 1879 to their usual high standard. By enterprise, accurateness, and close attention to the wants of our readers, we hope to merit a continuation of the liberal patronage

heretofore extended these journals. Nearly nine years ago, when there was not a Republican daily in the State, and only two or three in the South, we commenced the pubpublican principles, and see no reason to change our course now.

a truthful, reliable Republican journal, not the organ of any man or clique, but the outspoken and fearless advocate of principles, measures and men, best calculated to promote the welfare of the country and the Republican party.

We shall make unceasing war against all men who espouse the cause of repudiation in Tennessee. Against those who are willing to destroy their State for a little brief authority, and who for office are willing to hishonor and disgrace the Commonwealth, we shall cry aloud and spare not.

As a newspaper our publications shall not be excelled in the State. In addition to our telegraphic dispatches from all parts of the world, our readers shall have the benefit of correspondence and every other means through which reliable infor-

mation is obtained, Each number of the paper will contain selections made with special reference to the home circle. We will continue to avoid everything Concho, Texas; W. H. Dick, J. K. Our market reports shall have close attention, and be made entirely correct and reliable.

We will endeavor to make our agricultural columns worth more to farmers than our subscription price.

We call upon all persons interested in the publication of our independent, fearless, reliable Republican journal to come to our aid and assist in extending the circulation of the DAILY CHRONICLE and WEEKLY WHIG AND CHRONICLE.

In view of the financial pressure upon the country and the general reduction of values, we have decided to reduce the price of the WEEKLY WHIG AND CHRONICLE to suit the times. In the future we will send our weekly paper to sub-The remains of Mrs. Mary E. Rule scribers on the following
